COVER STORY

Cityscape Architects, Inc.

www.cityscape.us

Cityscape was established in 1999 with a true commitment for the practice of architecture and the desire to provide client-tailored services. The main focus was to integrate hands-on involvement by utilizing expertise to ensure a quality product.

"As we begin our tenth year in business, we celebrate all the success we have encountered. We have a wonderful group of employees and our clients are local companies who are among the best in the automotive, banking and retail industry. We salute all the opportunities they have given us," said Tony Dellicolli, R.A., principal
