Resumé

Gregg R. Stouder, RA, NCARB

Bachelor of Architecture, 1978
Ball State University
Muncie, Indiana

Experience

Mr. Stouder is co-founder of Cityscape Architects, Inc. and is a registered architect with over thirty years of experience in the architecture and construction industry. Mr. Stouder oversees all aspects of project management, project scheduling, budget control, quality control, development of bid documents and the monitoring of construction activities.

Prior to the establishment of Cityscape Architects, Mr. Stouder was a Vice President with an international design firm where he led and oversaw all the technical aspects of architecture on national and international projects encompassing commercial, retail, industrial and mixed-use projects. Previously, Mr. Stouder held key management positions with several architectural firms specializing in municipal and commercial office facilities.

Mr. Stouder's vast project experience provides the range, scope, and challenge necessary to complete many project types. He has completed both municipal and private sector projects including: recreational projects, commercial office buildings, interior space planning/tenant build-outs, automotive dealerships, Kroger and Farmer Jack supermarkets, Corps of Engineer facilities on military bases, and historic rehabilitation projects. These have included new facilities, renovations/remodels and historic rehabilitation projects qualifying for National Historic Preservation certification.

Registration

Mr. Stouder has NCARB certification and is a Registered Architect in the following states:

Arizona	Colorado	Florida
Georgia	Illinois	Indiana
Kentucky	Maryland	Massachusetts
Michigan	Mississippi	New Jersey
New York	North Carolina	Ohio
Pennsylvania	Rhode Island	Texas

Resumé

John W. Free

Bachelor of Science, Architecture, 2001

Bachelor of Fine Arts, Architectural Illustration, 2001

Lawrence Technological University

Experience

John is an Associate at Cityscape Architects, Inc. and serves as Program Manager for the Volkswagen of America account.

Over the past 3 years, Mr. Free has held this role for the Lincoln Mercury 'Gallery', Mercedes-Benz 'Autohaus', and Comerica Bank's 'Retail' brand image programs.

The Lincoln Mercury 'Gallery' program, required John to visit dealerships, interface with Ford's project managers and dealership management teams to develop appropriate design solutions.

Mr. Free's involvement in the Mercedes-Benz 'Autohaus' design program included preparing initial design options, as well as coordinating dealer changes to in the construction documents.

Along with assisting in construction documents for Comerica 'Retail' facilities, John was tasked with developing tenant layout options in 50+ facilities for Comerica's Project Managers.

Involved from concept through construction documents; Mr. Free is also responsible for the visualization of Cityscape's designs. John has past experience in commercial design & corporate graphics.
